Applicant after three rounds of prosecution decided to now swear behind the 102 reference. Examiner looked up the APplicant of the prior used KWOK application and discovered that it was a large company called Snyer-seis. Examiner did a quick search on pro-quest and found that syner-seis was the owner of a site that carried out the invention claimed in the publication called "oiloffice.com" and this article discovered petroleumplace had been doing for years	8/01/08	mb
